LOE 1 – Support Operations

- Encompasses efforts to support the Warfighter through coordinated and synchronized application of sustainment level capabilities.

LOE 2 – Soldier/DAC/KTR/Team

- Encompasses all efforts in the development and resiliency of our Soldiers, DA Civilians, Contractors, Families - the Workhorse Team. Also includes community support activities.

LOE 3 – Modernize/Institutionalize

- Encompasses efforts to modernize the battalion with relevant technology, implement new processes, develop agility and Institutionalize change.

LOE 4 – Train/Equip/Mission Command

- Encompasses efforts to train and equip the battalion, exercise deployment requirements and execute Mission Command of assigned, attached or OPCON capabilities.

*Teams of talented Soldiers, DA Civilians and Contractors using **relevant technology** and **clear processes** in a **dynamic environment** resulting in an **efficient**, high-performing and **adaptive organization**, grounded in **teamwork**, which provides proactive and timely support to the Warfighter.*

Believability – stems from T.R.U.S.T., Truth, Relevance, Unselfishness, Simplicity, Timing. Through this process, we will tell the truth, expand our relevance, unselfishly support, strive for simplicity and thrive on timing. The Warfighter MUST believe in us.
